

President's Message

Hopefully everyone is enjoying the extended spring this year, I'm sure we will be longing for this weather before too long.

April was a busy month for the club. Many of you had an opportunity to watch the stellar play of the APT Tour players in the first week of April. We crowned a new champion, Sam Fidone, with a score of 271 (-17 Under Par).

Our goal has been to hold a member event nearly every week in March and April and the participation has been tremendous thus far. Italian Night, Wingin' Wednesday and Chef Selections Dinner were met with rave reviews. Thanks to Niki and Chef Pat for putting together a tremendous selection of culinary delights.

Please come out and reconnect with some old friends and maybe make some new ones in the process. In May we have some new exciting events including a Trivia Night, \$2 Taco Night, Wing Night and a Chef Designed Dinner & Wine Pairing. Also, come join us for a Tiki Party on June 1st at the Pool.

I am also pleased to announce our push for more Junior Executive members is gaining momentum with 6 new members signed up in the month of April. If you know of anyone 33 years of age, or younger, please encourage them to experience all our club has to offer.

Member News

There is an exciting calendar of events coming your way for the month of May & June. We appreciate all of our members that have joined us at the events this spring. Please reach out to Devin Thomas, General Manager to share ideas for events and insights into what can increase our activity.

Membership Committee Nominations

We are seeking nominations for members to serve on a membership committee for the coming year. This membership committee will serve as ambassadors to our new members coming into the club so that everyone joining feels that they are one of the Ellendale family. They will also help to promote participation and activity among the membership. To make a nomination or more information please contact Devin Thomas, PGA (985) 209-9535 or devin@ellendalecc.com

Junior Executive Membership

As mentioned by Jeff Bordelon, the future of Ellendale Country Club is clearly in the young professionals that are the sons & daughters of our long-time members. We are lucky to have a significant number of 3rd generation members at Ellendale Country Club. We appreciate your support as members in reaching out to these young professionals and educate them on the benefits to their family and businesses that comes with membership at Ellendale.

Thank you, Devin Thomas—ECC General Manager

MGA Results

The Men's Best Ball Tournament was held on April 14th. Weather shortened the event to 9 holes as we had 4.5" of rain in the afternoon.

John Provost & Kurt Charpentier finished in 1st Gross with a 36.

Wade Johnson & John Glover finished in 1st Net with a 30.

The **Ellendale 4-Ball Invitational** is May 5-6th. Entries available in the Business Office & Golf Shop.

Greens Report

The course continues to improve from tee-to-green. We are experiencing one of the coldest springs in recent memory. With the numerous nights in the 40's the Bermuda on the greens and fairways has been slow to come out of dormancy. Hopefully 80 degree days are on the horizon and we can begin the process of transitioning from overseed to bermudagrass and improve the consistency of the putting greens.

We begin on May 1st an **adopt a hole program** for members based on the beginning letter of the last name. We ask members to fix 4 additional ball marks on their hole and fill an additional 4 divots in the fairway of their designated holes. Assignments will be posted in carts and locker room areas.
