

President's Message

Well summer is upon us and I am happy to report that the club has continued to make strides throughout the spring and into summer. We have had great success in our net operating income through operational changes and increases in member participation.

May continued what has been a successful and busy Spring for Ellendale Country Club. Between the ECC Four Ball and Houma Oil Invitational events we have had tremendous activity at the club. These events continue to receive outstanding member participation and are successful events for the club financially. A special recognition is due to: Chris Smart, Jared & Shelly Toups, Kurt Charpentier, Wade Johnson, Rory Oncale, Neal Theriot, Preston Borne, and Troy Cunningham for their efforts in both events and supporting our great club.

Our goal of holding an event each week specific to members has met with great success. Including our 2nd installment of Wing Night with over 50 members attending, to our first ever 4-Course Wine Pairing including wines from Italy, Spain, France & Argentina. Please reference our Facebook page, or entries into the Next Door App for upcoming events and specials.

If you missed on any of these events please make time to attend our upcoming Trivia Night on 6/6, Steak Night 6/21 & Wing Night 6/13.

The Pool is open and we have added some new amenities with cushions and new umbrellas and chaise lounges. The pool is **swim at your own risk** on **Tuesday and Wednesday** and Lifeguards on duty Thursday-Sunday. Food and beverage delivery service is available Thursday-Sunday at the pool.

We are also pleased to announce our push for more Junior Executive members is gaining momentum with 20 new members signed up in the month's of April and May. If you know of anyone 33 years of age, or younger, please encourage them to experience all our club has to offer.

TIP FROM THE PRO...
Playing out of bunkers.

Here at Ellendale we have beautiful white bunker sand. However that comes with a price, softer sand. Try this out next time. Widen your stance to a 3-wood width (wide!) Place the ball an inch or 2 forward of middle. This will allow your approach into the ball so you splash it out instead of blasting it out. Open your stance for shorter shots and stay square for longer shots. Try it out and let me know how it goes. **Devin**

Greens Report

Greens conditions were excellent going into the ECC 4-ball. The out of town players were blown away by how good our greens were especially coming out of the winter that hurt so many courses in Louisiana. We heard many comments of how the greens are back to what Ellendale is know for across the state.

Aerification was completed on May 21st and the greens were running 9.5 stimp after 7 days. We will continue to roll and topdress the greens over the next several weeks so we can get them back up to near 10.5-11 speed conditions. You will see hand-watering throughout the summer months so please be patient with staff as they may have to get in between groups to accomplish this process.

We begin on May 1st an **adopt a hole program** for members based on the beginning letter of the last name. We ask members to fix 4 additional ball marks on their hole and fill an additional 4 divots in the fairway of their designated holes.
