

Ellendale Country Club

PGA JUNIOR LEAGUE TEAM

Spring/Summer Program

The national program "PGA Junior League" administered by the PGA of America continues at Ellendale starting in April 2023 and concluding in June. Ellendale's GATOR program is entering its 5th season. The program is broken into 3 different groups based on age and experience.

Junior Gators (Ages 5-9)

Junior Gators will practice on Sunday from 2-3pm. Special Tournaments and events will occur on Sunday afternoons.

All matches and tournaments will be local. Bayou Country Club has a large program and we will have a home and away match with them at Bayou CC and Ellendale.

At the younger ages the goal is to keep them interested in playing and encourage some competition. To that end we will have an end of season championship and a Junior-Adult scramble for all age groups.

Gators (Ages 10-13)

The Gators Golf Team will practice on Sunday from 3:30-5:00

This team is for beginning and intermediate players that are just beginning the process of learning golf and want to learn to play and begin to compete in a more relaxed atmosphere.

Tournaments & Matches as well as special events will mostly occur on Sunday during normal practice time. However, matches will occasionally be on Weekday afternoons once school is out for summer.

Matches for the Gators Team will be in the Houma/NOLA area. Some travel is required to have a mixture of home and away matches.

Gators Select (Ages 10-13)

The Gators SELECT Golf Team(s) will practice on Wednesday 5:00-6:00 and Saturday 2:00-3:30

The Gator SELECT team will field at least (1) team of 8 players to play in 2-4 All Star Play Days as well as the Sectional and Regional Championships. This team or teams will not participate in the NOLA league match play program but instead will participate in team events in the Play Day All-Star schedule. Play days will be open to other clubs to participate in and there will be opportunities to travel and play at other facilities during the season.

Tournaments as well as special in-house events will mostly occur on Sunday during normal practice time.

Each member of the SELECT team will receive a total of 8 private lessons throughout the spring/summer season. These bi-weekly lessons are critical to game progression.

Additional Information

All registration for the Ellendale team is handled through the same website as before www.pgajuniorleague.com. Search Ellendale or Devin Thomas (Captain). Register by your age group. Ages (5-9), (10-13) or Select (10-13).
